All our pools are manufactured in Australia at our factory in Sydney. Our pool frames and walls are made from the highest quality galvanised B.H.P. Bluescope steel. The wall being multi-layer colourbond painted on both sides to afford maximum protection to the steel when used with either salt water or chlorine.

Both wall and frame are covered by a 20 year pro-rata warranty.

This model comes with a 40 mm top rail.

It features a quick lock construction system applauded for the ease at which the pools are assembled. With a little imagination it can be

transformed into a tropical oasis  
indistinguishable from far more expensive  
alternatives. Manufactured from fully galvanised  
B.H.P. Bluescope steel in sandstone Colorbond  
wall finish

**THIS POOL IS A  
FANTASTIC OPTION FOR DECKING OVER  
THE TOP COPINGS TO MAKE IT LOOK AS  
GOOD AS AN IN-GROUND POOL AS SHOWN
